

VACANCY - Fundraiser (Face-to-face)

Join Thistle's in house face-to-face fundraising team and help to make a difference to people living in our communities.

As a member of the team you will be playing a vital role in helping Thistle to provide life changing support to someone who has received the devastating diagnosis of a long-term condition.

In Scotland, 1 in 3 people are living with one or more long-term mental and physical health condition such as anxiety, depression, stroke, PTSD and chronic pain. Last year over 1,200 people were referred to Thistle for support.

The support we provide is free of charge, meaning those that need it most are able to receive it. To ensure that this is possible, Thistle relies on the generosity of our donors to secure our long-term future. You will be playing a massive role in contributing to this future and helping people to live a better life by securing regular Direct Debit and one off digital donations.

This is a unique opportunity to become part of a team that is making a positive difference to the lives of people throughout Edinburgh and the Lothians.

The successful applicant will be offered the role on the basis of an interview and the successful completion of a shadow shift.

- £10.43 an hour. NO TARGET BASED PAY - We focus on quality, not quantity. You are paid for the hours you work, meaning you can focus on having good conversations with the public.
- Temporary position - 4 months.
- Full training is provided and you will be supported by experienced fundraisers.
- Monday to Friday with occasional weekends - 7 hours per day/35 hours a week. TOIL is available for working additional hours.
- Street, door-to-door and occasional private site fundraising.
- Opportunity to meet people supported by Thistle and to share their stories.
- No experience necessary - you just need to be passionate and eager to learn.
- Role is subject to continual performance review
