I am looking for 2 PAs to join my young friendly team of women who support me to live in my flat in Morningside. I have been living here since finishing school and I am now 22 years old

I love shopping, going for coffee and cake, out for lunch, dinner and cocktails! I am sporty and enjoy swimming regularly. I also love getting my nails and hair done.

My Family are a huge part of my life and very important to me. I see them often as well as some of my good friends. I would love to meet new friends and would like your help to do this.

I love having a good laugh and good fun, but also like to chill so it is important that you are adaptable and take the time to get to know me.

Currently my day shift runs from 8am-4pm and my evening shift runs 4pm-10pm with a sleepover which is paid in addition to your hours, these aren't done on the same day and days vary on a rota basis. As part of my team you will be sharing the responsibility of organising the rota so that everyone works a mixture of these shifts with some flexibility and ability to help with team holidays and covering extra when needed

If you think that you would enjoy working with me and my team, please apply and I look forward to meeting you.
