Are you an attentive person and a good listener?

We are looking for a PA to join the team of PAs who support a man who lives in his own home in Craigmillar.

This gentleman loves listening to music and musicals.

He enjoys watching comedies and has a great sense of humour and sees the funny side of things. He likes to go out, and attends the gym regularly and also likes to be paid attention and listened to.

Cover is provided from 8.30am to 11pm followed by a sleepover. The 30 hours will be made up of 2 shifts per week, typically. However there are weeks where it would only be 1 shift and 1 sleepover.

The team organises and agrees its own rolling rota. This way all shifts are organised in advance and take into account contracted hours, annual leave etc so no one is under hours.
