Important	Internal Candidates please inform your line manager if you intend to apply for this vacancy.

We are looking to recruit sociable and outgoing people to join a small, friendly team who provides support to a fun-loving, popular man with a learning disability who lives in his own home in central Edinburgh.

The Team are working towards self-organisation which means taking a share in admin tasks and attending team meetings (full support and training will be given).

The person that the team supports is a very sociable person and has a busy, varied calendar of nights out, meeting friends, attending social events and concerts. He enjoys keeping fit and going to the swimming pool. The supported person has his own car and so having a driving licence is essential for this vacancy.

This role involves providing personal care, support at home with housework and cooking, looking after a pet cat, attending medical and dental appointments when required, as well as supporting the person to get out and about, socialise and go to various social events.

Support is provided in the afternoons and evenings during the week and all day at the weekends, with sleepovers every day.

Good communication skills are essential.

We have a permanent vacancy for 25 hours per week and we are also seeking a pool worker.

A pool worker is someone who can be flexible and sometimes work with short notice.

Pool workers support a core team and are fully included in all Team meetings, team training sessions and have a full Induction Training programme with Thistle.

Successful candidates will be subject to a PVG check which will be paid for by Thistle.

Please note that CVs will not be accepted as an Application
