Important	Internal Candidates please inform your line manager if you intend to apply for this vacancy.

Thistle Foundation is looking for male or female Personal Assistants (Support Workers) to join the Wellbeing Support Team.

Established in 2018, the Wellbeing Support Team works alongside established teams within the supported living services to provide a back-up service through workforce; ensuring that our values are embedded and that continuity of support is provided.

We are continuing to build on this new concept as we go through an exciting period of transitioning to a new way of providing the very best person centred support.

This role offers an opportunity to get to know many people to develop your skills and knowledge.

Do you enjoy a challenge and can you adapt to changing circumstances? If you have experience of working with people in a person-centred way, feel you can positively contribute to a team moving to a self-organised way of working and when trained this would increase your hourly rate.

If you can demonstrate excellent interpersonal and communication skills, this could be an ideal role for you.

A driving licence is desirable for this role.

This vacancy is for between 30 and 35 hours per week. Hours will be discussed at interview stage. Sleepovers may be required.
