Reference	FIFE201	Hours	Full-time (38 hours)
Location	Fife.	Duration	Permanent

We support three young men who all live at home in Fife. The young men all have their individual teams and this exciting new full-time post is for a male* to work over the three teams to provide robustness and link the teams together.

- They all enjoy interests and activities in the local and wider communities, including music, swimming, walks, drama, football and Zumba.
- Do you share any of these interests?

The successful applicant will spend time working alongside the established team members to be able to get to know the routines, the people we support, and their families really well before commencing lone working. Most of the support hours are during the day although the occasional sleepover will be available.

- ✓ Previous experience is not necessary. What is more important are your personal values and your life experiences that you can bring to the role.
- ✓ Thistle has a reputation of providing outstanding training and support that is ongoing throughout your career with us.

Most of the induction training will be at Thistle Foundation's Centre of Wellbeing in Craigmillar, Edinburgh and all expenses will be reimbursed for attending this training and any other visits to the Centre that are necessary.
