We are looking for a fun loving female to join our organised dynamic team, to support a gorgeous bubbly mature lady, who has a learning disability and some physical disabilities, when out and about she uses a wheelchair, but at home she's walking around with help of a walker.

She need's personal care, and help with day to day living, such as housework, cooking, appointments shopping etc.

She loves going out for a run in her car, also fond of going on the buses as that gives her a chance to chat to people, and she also likes the simple things like going for a walk to feed the ducks.

She's a very sociable lady and loves nothing better than going out for lunch and having cups of tea, she loves chatting to anyone and really just likes being out and about socialising.

She is liked by everybody when out and about, she also likes the occasional trip to the cinema.

She is very close to her sister who pops in for a visit quite a lot which she really enjoys.

This will be a 24 hour shift including a sleepover and will run on a three week rolling rota.

Because this lady has her own car it would be advantageous if you have a driving licence, but it's not essential because she is just as happy to get out and about using public transport.

Previous experience is not necessary. Your personal values and your life experiences that you can bring to the role are more important. Thistle provides outstanding training and support that is ongoing throughout your career with us.
